

QUALITY POLICY

CONTANGO QUALITY POLICY FOCUSES ON THE CONTINUAL ENHANCEMENT OF THE QUALITY OF ITS SERVICES BY IMPLEMENTING THE HIGH-LEVEL STANDARDS APPLICABLE TO ALL CONATNGO PROJECTS.

The quality of all Conatngo projects is continuously improved, measured, evaluated and validated for effectiveness both internally and externally by the implementation and maintenance of Quality Management Systems.

CONATNGO IS, THEREFORE, STRONGLY COMMITTED TO THE FOLLOWING QUALITY PRINCIPLES:

- Striving to provide only services that meet the highest quality standards.
- Striving to meet all national and international requirements and Standards for Quality.
- Ensuring sustainable quality performance through the implementation and certification of effective Quality Management Systems compliant with the ISO 9001:2015 and the Contango Quality System Standards
- Validating the effectiveness of the company's Quality Management System through both internal and external audit processes recognized by international standards.
- Continuing to build quality capability through structured programs that develop technical qualifications, increase awareness ,and manage risk to accomplish increasing levels of excellence.

- Setting annual quality goals to ensure continuous improvement and measure performance against the Contango system.
- Being committed to communicating the company's quality strategies to all Conatngo personnel who are directly involved.

The **management committee** is responsible of ensuring that this Policy is respected.

Matthew Norman
Chairman of MC.
